

QUALITY POLICY STATEMENT

“We at Veetech Automation FZE are committed to serve the industry by providing best products and services for the petroleum and energy sector at a competitive price, bearing in mind stated & implied needs of our customers”

“We at Veetech Automation FZE are committed to conform to requirements and continually improve the effectiveness of the quality management system”

“Our goal is to exceed customer expectations through customer focus and continual improvement by effective implementation of quality management system and control on all internal processes in compliance with API Spec Q1 & ISO 9001: 2015 standard”

To meet the Quality Policy, we shall develop Quality Objectives at relevant functions and levels for optimizing the use of our resources and ensuring customer requirements / satisfaction are met.

The Director of Veetech has formulated this policy. The policy is explained and discussed at the Company Orientation Training given to all employees, and is made understood, implemented, and maintained within the organization. Also, all the employees are expected to be familiar with, understand, and comply with the Quality Management System procedures that are relevant to their jobs and responsibilities within the company.

The policy is posted in conspicuous locations throughout the company and is made available to the relevant interested parties through company web site. The Quality Policy and Quality Objectives will be subjected to periodic management reviews to ensure continuing suitability and improvement.
